TRUST IS MY ANCHOR

Fear is a reason for me to stay
where I am on my knees, but I'm safe
from the unknown before me

Time is a never connecting line
there's a point where I make up my mind
but I'll never feel safe there, now
Show me how

Hey don't you wanna know I'm out of my mind
don't you wanna know I'm crying inside
though my hope is my power plan
and my trust is my anchor

Friends is a wellknown experience
but it comes to a point where it ends
if we try to be naked

Sad but the truth is so rarely said
it's a secret inside ones head
and the words are unspoken 'till
they burst out loud

Hey dont you wanna know.....

Time is a fact if you look at my lines
it's a very confusing sign
but I welcome the knowledge

Power is a pearl I keep in my hand
it's a gift I don't quite understand
but I desperately need it now
to cry out loud

Hey don't you wanna know.....

Hey I Thought you might wanna know
why I'm crying inside
cause the world is a carousel and some day you might need an anchor

Love is a reason for me to live
but it seems like it's never around
when I desperately need it
